Rodeo Prize Fish To Be Released Sunday, June 13

List of Prizes Released and More to be Added as Donated

Final plans for Antioch's gala celebration marking the release of hundreds of prize fish in the great Illinois Fishing Rodeo were worked out this week by the contest committee of the Antioch Lions Club, of which William E. Brook is chairman.

All resort owners and other business leaders of the Antioch lakes region wishing to donate prizes are urged to communicate at once with Mr. Brook, as the deadline on contributions is June 1. More than a thousand valuable awards already have been posted. Many of these are on display at Gibbs Variety store.

Release of the prize fish will start at 10:30 a. m. Sunday, June 13, off the shores of Pregoner's Resort at Grass Lake.

The ceremonies, aboard a carnival barge, will be broadcast over a loudspeaker system donated by Harry Robin, president of the Newark Electric Company, Chicago.

The barge, followed by a cavalcade of gaily decorated power boats of all sizes and descriptions, then will proceed around the shores of Grass Lake, Lake Marie, Channel Lake, Lake Catherine and Bluff and Petite Lakes. Stops will be made at many locations where resort owners and others have donated awards. The procession will wind up at the starting point, where Director Livingston E. Osborne of the Illinois Department of Conservation, sponsor of this greatest of all fishing contests, and other officials will speak. A band concert will be part of the ceremonies.

As a colorful forerunner of the actual release ceremonies will be the tagging of the prize fish Sunday morning, June 6, at 10 o'clock at the State Fish Hatchery in Spring Grove, west of Antioch. The public (continued on page 5)

Palatine Senior Drowns In Cedar Lake During Annual Class Picnic

Graduation exercises at the Palatine High school will bear a tinge of sadness this year.

One of the members of the senior class, Edward Koval, 17, son of Mr. and Mrs. Henry Koval, was drowned in Cedar lake, Lake Villa, Wednesday forenoon while the class was there picnicking.

Young Koval and two classmates, Dudley Schultz and Donald Gage, took a boat and left Sherwood beach the picnic was held, and rowed to the east end of the lake near the railway viaduct. There they enjoyed a swim, diving from the boat.

Suddenly young Koval was seized with cramps and called for help. Schulz and Gage swam to him and tried to help him to the boat but the boat drifted. Schulz then left Koval with Gage and swam to get the boat, but Gage became exhausted and let go of the helpless companion.

The Antioch Rescue squad was called and aided the Lake Villa fire department in grappling for the body. Not long after they started the squad was called back to Antioch on another request.

Young Koval was an honor student at Palatine and had been granted a scholarship to Roosevelt college in Chicago.

Where the young man drowned was out of the territory supervised by the Sherwood park life guards who were on duty.

Calendar Memorial Day To Be Observed Here; Monday to be Holiday

Sunday is the calendar Memorial Day but Monday will be observed as the legal holiday.

The Memorial services in Antioch will be on Sunday, however. Monday will be spent by many persons at the resorts, all of which will be open then.

Most of the stores will be closed Monday, but those catering to the large number of vacationers will remain open at least part of the day.

Mr. and Mrs. J. W. Bernbaum, of Chicago, were Sunday visitors at the home of Mrs. Mollie Somerville.

Poppy Day Volunteers Called to Final Rally

Final arrangements for the observance of the American Legion Auxiliary Poppy Day here for Saturday, May 29, were made at a meeting of the Auxiliary Friday evening, Mrs. John L. Horan, Poppy chairman of the Unit has announced. All women who volunteered to distribute the memorial poppies were present at this meeting and received assignments and supplies.

The biggest Poppy Day in history was predicted by Mrs. Horan on the basis of interest being shown and the number of women and girls who have volunteered for Poppy Day service. She expressed hope that the contributions made for the memorial flowers would be adequate to meet the increased need for funds to support the Auxiliary's activities for the welfare of disabled war veterans and children of veterans.

The poppies, to be worn in memory of the dead of both world wars, have been received by Antioch Unit from Bloomington, Ill., where they were made by disabled veterans working under the direction of the Illinois Department of the Auxiliary. Members of the Unit's Poppy Committee have been at work at the Legion Home counting the little red flowers and prepared them for distribution to the Poppy Day workers Friday night.

Workers received lapel streamers to be worn to designate them as official distributors of the American Legion Auxiliary's veteran-made poppies, and sealed coin boxes in which to receive contributions. They were assigned to various locations and hours of work, so that all parts of the city will be covered and an opportunity to wear a poppy in honor of the war dead brought to everyone.

V. F. W. Plans Open House Sequoit post No. 4551 and its auxiliary will have open house from noon on Sunday, May 30, with a pot luck dinner. All members are urged to attend, according to those in charge.

Joseph Borovicka III

Joseph Borovicka, Antioch Hills, became quite ill Wednesday forenoon and is bedfast. The Rescue Squad was called but its services was not needed. Borovicka retired as a local merchant because of poor health.

Pres. Bartlett Warns Against Lax Closing Of Taverns, Gambling

President George Bartlett last week made the rounds of taverns warning them that closing hours of 1 a. m. must be observed and too, that there must be no gambling. Horse race betting agencies are banned.

President Bartlett said there was a report that slot machines were in operation but he said he found none. He said the tavern owners who violated the village ordinance had done so without fully acquainting themselves with the law.

Antioch has been without slot machines since the order of the county sheriff was given to remove them. Pin ball and other types of machines for amusement purposes only have been substituted for the entertainment of visitors.

Lake County T-B Assoc'n Will Have Annual Meeting In Karcher Hotel June 3

The annual meeting of the Lake County Tuberculosis Association will be held Thursday, June 3, at 8:30 p. m. in the Karcher Hotel, Waukegan. Reservations may be made up to noon Tuesday, June 1, at Tel. Maj. 1805.

This is an open meeting to the public and everyone is invited. Interesting reports will be given and there will be an election of nine persons to the Board of Directors to serve for a period of three years.

Dr. Charles K. Petter will give an address on the "Role of Family Physician in Tuberculosis Control." This talk should be of much interest to lay people as well as the Medical Profession.

Residents of Lake County have shown appreciation of the Association's work by contributing this year the largest amount to the Seal Sale in the history of the Association—\$39,025.42.

The Association again for the fifth consecutive year won a silver trophy for first place in all County Seal Sales in Illinois outside of Cook county. Such cooperation as this should indicate a large crowd at the annual meeting of the Association.

Construction on Scout Home Fast During the Week

Meeting Wed. Evening At Pregoner's Attended By Thirty

About thirty fathers of boy and girl scouts, contractors and other interested men were present at a meeting of the building committee of Antioch's new scout home last night at Pregoner's resort. A report of progress and plans for the completion of the building were discussed, and many of those present volunteered to help with the construction job.

Dr. D. N. Deering reported that the excavation was completed on Thursday of last week and that footings for the basement wall were poured on Monday evening. He added that forms for the basement wall would be complete today so that concrete can be poured Friday.

A tentative date for an old-fashioned "raising bee" was set for Saturday, June 12, and many of the men present volunteered to help on Saturday, June 5 th also. Arrangements to feed all the workers on the 12th will be made and work will be started at 8:00 a. m. and continue until 4:30. Emil Hallwas, who is in charge of building, said that help would be welcome at any time now that the basement is virtually complete.

According to present plans, a list of the names of men who wish to help will be kept on file at the Antioch News, and when help is needed the men will be called from time to time. Those who wish to volunteer may call Antioch 43.

Commencement Friday Night to Bring School Year to Successful End

Forty A. T. H. S. Seniors to Be Graduated to Ranks Of Alumni

Forty Antioch Township High school seniors will become members of the alumni through commencement exercises tomorrow evening which will bring to a close the school year.

Starting at 8:15 o'clock the school band will play the processional that will move the class onto the stage of the school auditorium in what is to be the last of its school activities. Two special selections by the band, "El Caballero" and "Orpheus Overture," will follow.

The Rev. E. William Strauser will give the invocation.

F. Elmer Marshall, Indianapolis, Ind., a widely known lecturer, will be introduced by Principal T. R. Birkhead and will deliver the commencement address.

Mr. Birkhead will present the class and Walter K. Hills, president of the board of education will present the diplomas. The recessional will bring the service to a close.

The Rev. L. H. Messersmith gave the baccalaureate sermon Sunday evening at the school auditorium. He stressed the importance of a friendly and cheerful disposition in the presence of others as a means of success.

The service was attended by 150 persons.

Hans von Holwede played the processional and recessional and the Rev. G. R. Tuttle gave the invocation and benediction.

Earl Brabandt, baritone, sang "Accept our Thanks" by Sibelius and Dorothy Thompson, soprano, sang "All Glory, Laud and Honor," by Teschner.

The annual Flag Day service Monday forenoon was quite impressive.

Yesterday and today final examinations were in progress for the students in general. The examinations were conducted in the morning and those who had all of their semester's work completed are excused during the afternoon.

Kufalk on Polio Committee

Roy I. Kufalk was made a member of the county advisory committee of the Lake County chapter, National Foundation for Infantile Paralysis, Inc., at the annual meeting in North Chicago recently.

Mayor John P. Dromey of North Chicago was re-elected chairman, and Joseph Zorc, secretary. Zorc reported the March of Dimes campaign brought in \$34,736.36. The organization has taken care of 55 patients. Antioch this year gave \$906.26.

Parking Meter Courtesy Saves Local Motorists From Paying Usual Fine

There are always a few persons who forget to feed the parking meters and are subject to ticketing, but recently when the rounds of the Antioch police failed to find a single offender they became curious.

They discovered that boys preceding them were placing pennies in the meters where there was a violation and then placed a card on the car of the offender announcing the courtesy through efforts of The Palms restaurant.

This practice may build good will for the restaurant but it isn't helping the intake of parking meter fines, which after all the village wants to avoid.

44 Eighth Grade Pupils From Six Schools Were Promoted Here Tuesday

Promotional exercises were held Tuesday evening at the high school for 44 eighth grade pupils from six schools in Antioch and vicinity.

The Rev. L. H. Messersmith, Millburn pastor, emphasized patience in his brief talk to the pupils and the 300 relatives and friends. Patience he said is advantageous in the development of self and in dealing with others, and is more than mere virtue.

The grade school band of Antioch played the processional and the audience that filled the large auditorium remained standing while the Rev. G. R. Tuttle of the Methodist church gave the invocation.

Ronald Arndt presented the selection "Home on the Range," and after the diplomas were presented by Richard Whitacre, principal of the Antioch Grade school, the audience sang Star Spangled Banner. Mr. Tuttle pronounced the benediction.

The pupils who are now eligible to enter high school and their teachers are:

Antioch, Richard Whitacre, principal; Ronald Fredric Arndt, Betty Ann Behrendt, Albert Stanley Berkiel, Paul N. Biel, Erling Eugene Carpenter, Rayfield Leo Eppers, Sue Nona Garland, Ruth Joline Gaston, Audrey Jean Hattendorf, Marshall George Hayden, James Avery Holt.

Richard Charles Johnston, Dennis Dudley Kennedy, Patsy Ann Keulman, Gloria Ann Lubkeman, Robert C. Lubkeman, George William Masopust, Rose Anne Marie McGreal, Phyllis Ann McMillen, Joan Marie Miller, Charlene Ann Nelson, George Edwin Nelson, Joanne Gertrude Osmond, Robert George Palm. Patrick Joseph Quilty, Kenneth Henry Rentner, Robert Courten Ruggles, Joanne Nancy Thompson, Virginia Mary Van Patten, Mary Christine Vos, Mary Louise Wilton, and Robert Charles Wilton.

Channel Lake school, Mrs. Pearl Powles, teacher; Dale Jones and Thomas Atwood.

Emmons school, Mrs. Lucy Himmens, teacher; Gail Ann Deitrick. Grass Lake school, Mrs. Doris Bray, teacher; Richard Dittmer, John Halvorsen, Shirley Mae Mani, Ruth Joan Stokes and Patricia Wise. Hickory school, Mrs. Ruth Baethke, teacher, Robert L. Kirby.

West Newport school, Mrs. Janet Diedrich, teacher; Ruth E. Raether, Joseph T. Rush and George A. Vose.

Halcyon Group Plans Fall Fashion Show and Installs New Officers

Plans for the fall fashion show to be presented in August were made by the Halcyon group of the Lake Villa Methodist church in its meeting May 20 at the church basement.

Financial aid was voted to the newly formed Youth Fellowship organization of the church.

Following the business meeting the Rev. Dwight Dixon installed the new officers. They are Betty Reidel, president; Helen Avery, vice president; Delores Cremin, recording secretary; Florence Whitaker, corresponding secretary; and Mary Dixon, treasurer.

Games conducted by Mr. Dixon were enjoyed during the rest of the evening.

Two Store Fronts Alike

Persons looking east on Lake st., to Main st., need not worry if they seem to see double for that is just the situation.

The Rosing building now has window front signs of the National Tea Co Food store just like the ones next door in the building soon to be vacated by that company.

When the store is moved and the Ford garage takes over, the green fronts will no doubt be reduced to one.

Memorial Service At 2 P.M. Sunday Following Parade

Major F. T. Brewster and Attorney C. W. Diver Will Speak

Memorial Day services will be held in Antioch Sunday afternoon through joint sponsorship of American Legion post 748 and Sequoit post 4551 Veterans of Foreign Wars.

Major Francis T. Brewster of the Fifth Army corps and Attorney Clarence W. Diver of Waukegan will be the main speakers.

The exercises will be preceded by a parade leaving the Antioch Township High school grounds at 1:45 p. m. and going to the village park.

Edward C. Jacobs will be master of ceremonies.

Introductions will include Cmdr. Edward J. Frazier, Antioch Legion; Herman Meinersmann, commander of the V. F. W.; Mrs. L. R. Van Patten, president of the Legion auxiliary; Mrs. William Hallwas, president of the V. F. W. auxiliary and others.

The invocation will be given by the Rev. E. William Strauser, chaplain of the V. F. W.

Representatives of the two auxiliaries will place wreaths in respect to the unidentified soldier.

A musical selection will precede the introduction of Major Brewster, who will speak on a subject suitable to the occasion.

The community service board will then be veiled by the Legion, V. F. W. and Lions club for permanent removal. Remarks pertaining to the occasion will be made by George B. Bartlett, village president.

Mr. Diver will then be introduced as the memorial speaker.

At the conclusion of his address announcement will be made of plans to dedicate the tablet which will replace the service board on V-J Day. The tablet will bear the names of the six men who died in service in World War II.

Everett R. Hatfield, Legion chaplain, will pronounce the benediction and the service will close with the salute by the firing squad and taps.

The two service groups will assist with the Memorial Day program in the village park of Lake Villa at 10 a. m. Sunday.

Fire Department Plans Dance for Next Month

Members of the fire department made preliminary plans Tuesday evening for the dance it will give some time in June in the building soon to be vacated by the National Tea Co. food store.

The department had one call this week, going to the east shore of Loon lake Wednesday afternoon in putting out a grass fire.

Because Chief James McMillen was absent in attending the eighth grade promotion exercises, departmental appointments were deferred until next week.

The firemen had a good time at the county convention in Round Lake last Saturday. In the hose rolling contest Antioch was second, losing to Grayslake by two-tenths second. In the hookup contest the local men were fourth with Libertyville, Grayslake and Fox Lake ahead of them.

Mundelein, winner from Antioch in the preliminary water battle lost to Vernon in the final round.

Pavement Sinks From Sight on Rte B between Trevor and Wilmot, Wis.

A rare phenomenon is the sinking of Highway B between Wilmot and Trevor which occurred starting Friday and has continued over a period of several days so that now the roadway for a distance of 100 feet is under 12 feet of water.

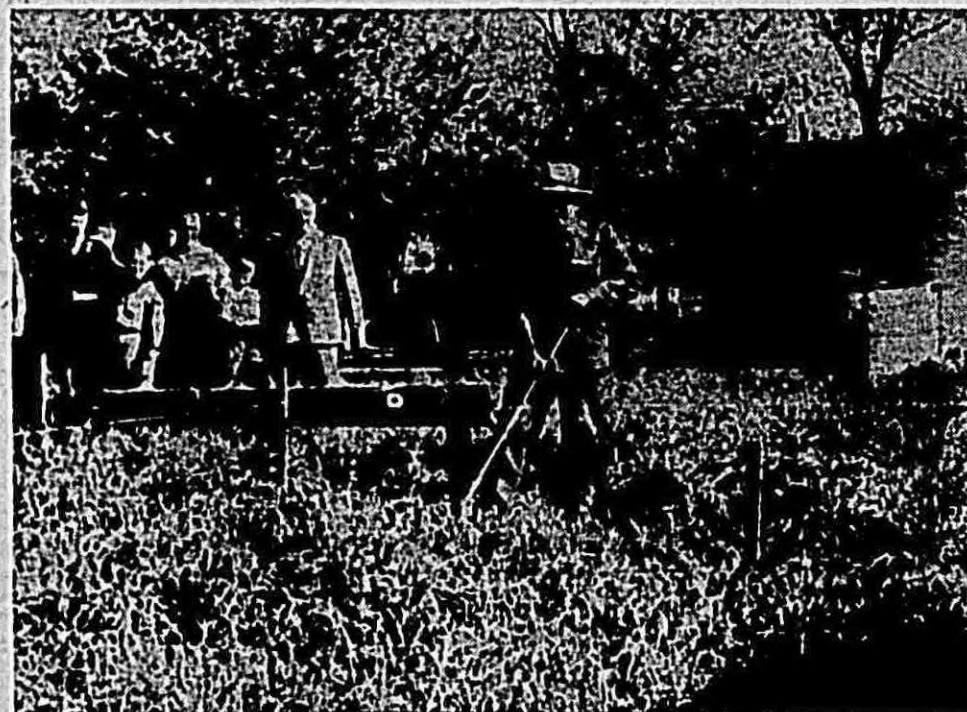

Hundreds of yards of gravel have been dumped into the sink without success in building the road up.

The road was built in the last century through the felling of trees and the piling of logs in a low marshy spot on the edge of Camp Lake.

Last Thursday motorists traveled over the black top pavement in what appeared to be perfect safety.

Friday, the pavement began sinking and persons who were on the spot said they could actually see it settle. In the first day it went down three feet pushing dirt out at the side. By Sunday it was covered with water and on Monday water covered it to the depth of 10 feet.

Breaks Ground for Scout Home

Pictured above is C. K. Anderson, donor of the Leila J. Anderson Memorial Scout home, taking the first shovelful of dirt from the site of the new building. The ground breaking ceremony was conducted Thursday morning, May 17, at 8 p. m. and Schneider and Sons Excavating Company completed the digging during the day.

Below are Howard K. Gaston, Dr. D. N. Deering, C. K. Anderson, and Scoutmaster Harold E. Cardiff. Gaston, Deering and Cardiff comprise the building committee for the project.

Where Fire Prevention Should Begin

Any long range fire prevention program which will get results must include educational work in the school systems. Traffic safety instruction is part of the curricula of most modern schools. Fire safety is equally important.

The work should begin in the early grammar school grades, and be carried on to the university level. In many instances, it could be profitably and interestingly combined with other instruction. It is susceptible to dramatization. It could be varied from season to season. For the Fourth of July, as an example, the dangers inherent in improper use of fireworks, and the fire carelessness of picnickers and campers could be stressed.

The basic attitudes we carry through life become established at an early age. A child who has been given entertaining, intelligent instruction in fire hazards and their elimination will soon develop ingrained habits of carefulness and attention to dangers. He will turn into the kind of adult who doesn't take stupid, unnecessary chances. He will grow up equipped to play a continuous part in the fight against a relentless destroyer.

At this season of the year, special emphasis is being placed on forest fire prevention, and here is a subject which is perfectly suited to our schools. Our forests are one of the nation's greatest legacies to its youth—and their preservation is a duty of all. And even very young children can understand the simple rules that will prevent 90 per cent of all the fires in the forests.

For The Consumer

It is probable that never in its long history has American retailing given so much thought, and devoted so much hard work, to the problems of the consumer.

It is doing this for various reasons, most of them obvious. First of all, protection of the purchasing power of the masses of consumers is vital to its

existence. Secondly, retailing is always on the firing line in the debate over inflation. And, thirdly, the American economy is dependent on preserving our unique system of mass production and mass distribution—the system which has given us more goods and better goods, for a smaller part of our earnings, than any other people enjoy.

Retailing's contribution to the fight against inflation has been partly obscured by the fact that prices remain high. This does not mean that fight has been a failure. In the opinion of those who have studied the situation, prices would be substantially higher than they are now had retailing done nothing and simply passed the boosts along to the consumer. Instead, by shaving profits, by increasing efficiency, by keeping a tight rein of inventories, and by other economics, retailing has saved the people of America enormous sums of money.

"Resist further price increases to the limit" is the policy retailing is following now. It may or may not be successful—most of the basic factors that control the price level are beyond its reach. But, regardless of the future trend, it will work with every weapon in its armory to save the consumer dollar from more depreciation.

The Low Down From Hickory Grove

You know, guessing what the little woman is going to do next—and having it happen like you figure—is no mediocre type of guessing. But there is always one sure clue—she will be for a change. Maybe it is only moving the coffee table from cross-wise of the room to length-wise or maybe it is just displaying a little bit more hide around the mid-riff section versus not quite so much hide around the knee-cap section. Always something different.

So I will proceed to stick out my neck—not whether mama is going in this season for light green toe-nail polish or dark green, or what kind of head gear—no brother, not that, I am going to predict on her voting. She will vote new and different—Gov't. spending is old stuff. She wants to get in on some of the spending her ownself. Out, is going to go the guys who have been so loose with old Sambo's folding money. Ten years for one style—preposterous, says Mama.

And fellers, if the little woman does sure enough get us a change and relief, we can lay-off our ribbin' about her pink finger nails in the spring and maybe purple or lavender in the autumn—mama would then rate 3 cheers.

Yours with the low down,
JO SERRA

HICKORY

The Curtis Wells home was a busy place on Sunday, May 23, with 80 people gathered there at the family reunion and birthday party for Mr. Ed Robertshaw, of Washington D. C. A huge birthday cake was the center of attraction. Others present celebrating their birthday on May 24 were little John Hallwas of Loon Lake, Mrs. Paul Ferris, of Antioch and Rod Ames, of Zion on May 26. Relatives were there from Washington D. C., Virginia, Michigan, Indiana, Wisconsin and California. A nephew, Capt. Howard Robertshaw flew in a navy plane from California on Saturday and returned on Sunday. Other nephews from California who could not come sent greetings by telephone and telegraph.

Sunday afternoon callers at the S. J. Handley home were Mr. Geo. Samms and Misses Margaret and May Samms, from Chicago. Mr. and Mrs. Joe Stule from Venetian Village, Lake Villa; Mr. and Mrs. Geo. Handley and daughters, of Chicago, spent Saturday night and Sunday at the Handley home.

Mrs. Gordon Wells drove to Chicago Tuesday evening with her sister, Mrs. Marnie Cannon and other relatives from Gurnee. They visited the Panner family there.

Hickory school closes Thursday

with a picnic at school. Robert Kirg graduated from 8th grade this year.

Mr. and Mrs. Fred Leable visited Mrs. Ethel Bennett in Kenosha Sunday afternoon and took her out to supper.

Mr. and Mrs. Clarence Crawford and Mr. and Mrs. Walter Czymer and daughter, Marcia Ann, of North Prairie, were Sunday afternoon callers at the Earle Crawford home.

Mr. and Mrs. Howard Wells and children, of Joliet, spent Sunday at the Curtis Wells home.

Bermuda Islands

The Bermudas are a group of islands, belonging to the British empire, 580 miles east of North Carolina and 677 miles from New York. Twenty of the 360 islands are inhabited. The islands were discovered by Juan de Bermudez, a Spaniard, early in the 16th century, for whom they were named. They were uninhabited until Sir George Somers was shipwrecked there in 1609. A company was formed for the "Plantation of the Somers' Islands" as they were called at first. The crown took over the government in 1684.

Early Militia Bonus

If an early North Carolina militiaman was incapacitated while in service, he was treated at public expense and given a slave to work for him.

MILLBURN

Rev. L. H. Messersmith sermon topic for Sunday, May 30, will be "For Whom the Bell Tolls."

Memorial Day services will be held at Millburn cemetery Sunday afternoon at 2 o'clock, with Carl Anderson in charge of the program.

Members of the Mylo Club entertained their mothers at the annual tea in the church dining room Thursday evening at 7:30. Mrs. Ray Boller, president of the club introduced Mrs. Rose Bennett, who welcomed the guests and Mrs. Theodore Engh, who expressed appreciation to the young ladies. A style show presented through the courtesy of the Hein Co. was the high light of the evening. The various outfits were modeled by Alice Denman, Margaret DeYoung, Ethel Atwell, Jean Wooley, Rita Garrity, Adrienne Bauman, Lillian Stangaard, Dorothy Geier, Marguerite Messersmith, Nita Bonner and Evelyn McGuire.

Jack Neahous, Jr., of Zion, spent the weekend with his grandparents, Mr. and Mrs. Oscar Neahous. Other

guests Sunday afternoon and evening were Mr. and Mrs. Gus Christiansen and family, of Union Grove, and Mr. and Mrs. Jack Neahous, of Channel Lake.

Mr. and Mrs. Frank Edwards spent Saturday evening at the John Edwards home in Libertyville in honor of Mrs. John Edwards birthday anniversary.

Mrs. L. H. Messersmith entertained her 1st grade pupils with a party at the parsonage Wednesday after school and her third grade pupils at Fox River Park Friday afternoon.

Mr. and Mrs. Lester Barker, of Winnetka, Mr. and Mrs. Robert Bonner and family, of Kansasville, Wis., Miss Thelma Clark, Mr. and Mrs. Will Bonner and family and the Gordon Bonner family were dinner guests at the home of Mr. and Mrs. Russell Doolittle in Antioch Sunday.

Miss Josie Mann and Mort Sa-

vage spent Thursday afternoon at the Wilder Smith home in Hebron. Mr. and Mrs. Rex Fleming, of Chicago, Mrs. Margaret Schuyler, Minneapolis, Minn., and Mr. and Mrs. Ira Beebe, of East Chicago, spent Sunday evening at the H. M. Clark home.

Seventeen couples enjoyed the meeting of the Couple's Club in the church basement Friday evening. Mr. and Mrs. Arthur Riegler and Mr. and Mrs. Homer White were in charge of games and refreshments. The annual picnic will be held in June with Mr. and Mrs. W. F. Wetzel and Mr. and Mrs. Thala Rush as committee.

Mr. and Mrs. Ed Hoffman and son, George, spent Sunday evening at the Ed Leable home at Rosecrans. Mr. and Mrs. George DeHaan and daughter, Randell, and Mrs. Ida Truax attended the marriage of Miss Marie Kline and Robert Randall, at St. John's Reformed church

in Waukegan Saturday evening.

Mrs. Myrtle Savage, Miss Josie Mann and Mort Savage spent Monday afternoon at the Harvey Mann home in Waukegan.

Mr. and Mrs. Fred Tebbin and son, Wendell, of Waukegan, were dinner guests at the home of Mrs. Ida Truax Sunday. In the afternoon they drove to Chicago, where they met a cousin, William Galn, who had a three hour stop over in Chicago while enroute from New York to Washington.

Mr. and Mrs. Robert Denman are parents of a daughter, Cheryl Ann, born Thursday, May 20, at Condell Memorial hospital, Libertyville.

GOLD STAR BUTTON DISTRIBUTED JUNE 1

The Nation's memorial to World War II dead—the Gold Star lapel button—will be ready for distribution after June 1 to the next of kin of men and women of all the Armed Services who died for their country at home or abroad. The insignia is a gold star on a purple circular background, bordered by gold laurel leaves. On the reverse is the inscription, "United States of America, Act of Congress, 1947," with space for engraving the initials of the recipient.

One Gold Star button is to be furnished, without cost, to the widow or widower and to each of the parents of a member of the Armed Forces who lost his life while on active military service between December 7, 1941, and July 25, 1947. One Gold Star button will be furnished at cost price to each child and brothers and sisters of the deceased. Application forms will be ready about June 1, and may be obtained from any Army or Air Force installation, any nationally recognized veterans organization or the Adjutant General, Washington 25, D. C.

Navy, Coast Guard and Marine applications should go to the Chief, Bureau of Naval Personnel, Navy Department, Washington, D. C.

Sweet and simple! Yet its very simplicity makes this Claire Kay part of a great "new appeal!" Softness and loveliness are associated with the fine wale pique print... hearts with delicate ribbon print bows mark their ways to your heart all the way through the striped fabric. Gentle, scalloping trims the neckline and sleeves, and the skirt folds loosely into casual unpressed pleats. Also, there's a highly styled gold mesh type belt adding an unexpected burst of splendor. In aqua, blue, and rose. Sizes 9-15.

YOUR OLD FLAME HAS THE **New Look!**

It COOKS without the cook!

THERE'S LOTS that's new about today's GAS ranges besides their gleaming white beauty! GAS range performance has the "new look" too! Automatic cooking... the modern, carefree way to prepare meals... is yours in the new GAS ranges. Think of it—a simple-to-set, dependable-to-use clock control turns the oven on and off while you're away from home! Time and temperature controls are so accurate you're sure of perfect results every time. Your new GAS range will be much more efficient than the one you're replacing. Thick blanket insulation seals the heat in the oven and broiler. Your kitchen stays cooler... your fuel bills lower. Surface burners have the new "tailored" flame to prevent heat escaping around the edges of the pan. Today's GAS ranges still have all the time-tried features you depend upon. Instant-heat burners still give you the exact shade of heat you want... flame-

roasting and broiling are still unsurpassed for flavor. New ranges are available now at your dealer or nearest Public Service Company store.

Poppies Sold on Streets Saturday Emblems of Faith Kept With Those Who Died

Poppy Day, which will be observed over Memorial Day by the Antioch American Legion and its auxiliary in the sale of artificial poppies on the streets dates back to the first world war.

The youth of today hardly knows the significance of the flower but it takes the older generation to explain that while Americans were fighting Germany in the first world war the fields on which they fought and died were covered with blooming poppies.

The American Legion was the first national organization to adopt the poppy as its Memorial flower, taking action in Cleveland Sept. 27-29, 1920. The auxiliary adopted it later.

When the auxiliary adopted the poppy, it pledged the profits from the poppy sales 100 per cent to welfare relief for service men and women and their families. The poppy is considered an emblem of faith and that faith is being kept with all who died through service to the living.

The poppies are made by veterans in hospitals who receive pay for their work. The material is supplied by the state department of the auxiliary in which the hospital is located. More than 25 million poppies are to be sold this year, and Antioch residents are asked to buy their share.

The cup annually donated by Pickard, Inc., which designates the club champion, was won by Homer LaPlant, low net winner. There were five prizes for members who did not play golf.

Mrs. Mattie Mozak, 66 Lake Catherine, Dies

Mrs. Mattie Moak, aged 66, a summer resident of Lake Catherine for many years, died last Thursday at her home 3860 Lexington St., Chicago. She had been in poor health for seven years.

The funeral service was held Monday at the Assumption church with interment in Columbus Park cemetery.

Surviving are the husband, Nick Mozak and five children, Mrs. Christine Andrews, Chicago; George Charles and John Mozak, and Mrs. Dorothy Gear, all in Florida. Until a month ago Mrs. Mozak had been a patient at St. Theresa hospital in Waukegan.

Mr. Mozak, the husband, is a retired coffee dealer, and has devoted all of his time to the care of his wife.

Funeral Services Held Mon. for Sidney J. Hook

Funeral services for Sidney J. Hook, 92, a life long resident of Lake County who died Friday, May 21, at his home in Gurnee, following a short illness, were held at 2:30 p. m. Monday from the Warren Cemetery Chapel with the Rev. Dean H. Ganster of Waukegan officiating. Interment was in Warren Cemetery.

Mr. Hook was born January 7, 1856 in Monaville in Lake Villa Township. His life's work was that of farming, he had farmed in Warren township for the past 83 years and previous to that made his home in Monaville.

September 11, 1880 Mr. Hook married his childhood sweetheart, the former Clara K. Esty. She preceded him in death November 16, 1939.

Survivors are three sons, Lee and George of Waukegan and Charles E. of Gurnee; two daughters, Mrs. Cora E. Studer of Gurnee and Mrs. Nellie M. Faulkner, Grayslake; a brother, John J. Hook, of Grayslake nine grandchildren and ten great grandchildren.

Following the promotion exercises of the Antioch grade school Tuesday evening Phyllis Ann McMillen entertained her classmates at the home of her parents, Mr. and Mrs. James McMillen. Refreshments were served.

Vot-Sponsored Team Loses to Waukegan Through Many Injuries

The Antioch baseball team sponsored by the local post of the Veterans of Foreign Wars lost its game Sunday to the Northside A. C. nine by a score of 15 to 7.

Antioch was the aggressor until fifth inning when a series of injuries commenced. The team lost its catcher in the fifth and pitcher in the sixth. Bernie Schneider, the Antioch catcher, suffered a badly sprained ankle which forced him from the game. In the sixth inning, pitcher M. Krizan was hit in the leg with a batted line drive forcing him to be relieved of his pitching assignment. Two other players hurt in the remaining innings of play were Antioch's defensive center fielder, Ray Scott, who acquired a strained muscle in his leg impairing his playing ability. The ninth inning Manager Jack Crandall was hit with a fast pitched ball. That concluded the damage done by the Northside A. C. nine from Waukegan and enabled them to gain a 15 to 7 victory after trailing 6-5 at the start of the sixth inning. All the boys are hitting better and Eddie Palenski pounded out two doubles and two singles in five times at bat accounting for four of Antioch's sixteen hits.

High School Baseball To Continue Next Week Although School Closed

Baseball for Antioch Township High school will extend over into next week although classes will have closed.

The Sequoits will play Ela township High here tomorrow afternoon; will go to Bensenville on Tuesday, and play the season's final with Grant Township High on the following Friday.

The local team has been about breaking even on its games which considering the fact that the school is just returning to baseball speaks well.

Antioch defeated Wauconda here Monday 13 to 6, but on Tuesday lost its second game to Northbrook here 11 to 6. In Tuesday's games the visitors connected too strongly with Matson's offerings and he gave way to Crawford who held them in check. The lead was too great to overcome, however.

The Sequoits garnered but 13 points in the Northwest Conference track meet at Palatine last Friday. Palatine won the meet with 81 points; Barrington was second with 49; Grant, third, with 37 1/2; and Bensenville, fourth, with 26 1/2.

Fred Becker of Grant won individual honors, tying the record of 10.4 seconds for the 100-yd. dash and breaking the 220-yd. dash record with a time of 23 seconds flat.

Ellen Protine, Lifelong Resident of Lake County Dies

Funeral services for Mrs. Ellen Protine, 86, who passed away at the Lake County General hospital, after an illness of three months, will be held at 3 p. m. Friday in the chapel 1521 Washington St., Waukegan, with the Rev. L. H. Messersmith officiating. Burial will be in Warren Cemetery.

Born in Wilson, January 20, 1861, she was the wife of the late William Protine, and was a member of the Millburn Congregational church. Surviving Mrs. Protine are two daughters, Mrs. Ellen Swenson, of Antioch and Mrs. Martha Bell, of Waukegan; a sister, Mrs. Mary Gonyo, of Wilson; seventeen grand children and four great grand children.

Funeral Services For E. E. Stenzel, 41 Held Wednesday

Elmer E. Stenzel, 41, died Monday, May 24, at his home in Wilmet, Wisconsin. He was born August 23, 1906 at Wilmet and lived there all his life. His life's work was that of carpenter contractor.

Survivors are his wife, Eva, two sons, Elmer, Jr., and Roy; his mother, Mrs. Anna Stenzel and a brother, Lawrence A., of Kenosha.

Funeral services were held Wednesday, May 26, at 2 p. m. from the Strang funeral home, with the Rev. R. P. Otto officiating. Interment was in Wilmet cemetery.

Open Later Hours

The Bungalow Farm Market at Monaville starting next week and lasting until Labor Day will open Tuesday, Thursday and Saturday evening until 9 p. m. according to the owner. Closing hours other days will be at 6 p. m. It will be open from 9 to noon Sunday and holidays.

Miss Jane Wandergem, of Chicago, spent Sunday at the home of Dr. and Mrs. D. N. Deering.

TELEVISION IS HERE!

Although Television has reached a high state of development, it is not yet at the stage where it is a "buy over the counter—take home" proposition . . . some engineering must be done at the location of the set to insure proper operation once it is installed. For this reason two years of constant experiment in our research laboratories at Lake Catherine have been devoted to seeking ways to improve television service in Lake county . . . we are at last sure of the feasibility of installing television sets here and offer a complete service including sales, installation and service.

At our showrooms at Lake Catherine we have a variety of sets in operation, manufactured by both Belmont Radio Corporation and Anchor Radio Corporation. Four highly-trained radio technicians are employed at the laboratory to see that your set, once installed, will function properly . . . You, too, can have television in your home for as low as . . .

plus installation & Aerial

SETS ON DISPLAY AT REEVES DRUG STORE

Charges for installation of the set and erection of the proper aerial will vary in great degree due to differences in the location, and we suggest that you telephone us to allow us to send our men with the latest equipment for testing the strength of television signals at your home, as well as other factors which will affect operation of your set. Estimates on the cost of installation and an aerial will be promptly and gladly furnished free of charge. Don't be without television . . . call us today.

Veterans Given to July 1 To Prove Right to More College Subsistence Rates

Veterans pursuing full-time courses in schools and colleges who are entitled to increased subsistence rates by reason of dependency have until July 1, to submit proof for retroactive payments.

If veterans submit evidence by July 1, they will receive retroactive payments at the new rates back to April 1. Evidence received after that date will be effective the day of receipt.

New rates now in effect allow veterans with one dependent the sum of \$105 a month and \$120 for those with more than one dependent. Single veterans receive \$75. Eligible vets now in school who are entitled to \$75 or \$105 do not have to apply because VA offices have the information required to pay the increases automatically.

Proof of additional dependency for the new increases consist of photostats or certified copies of birth in the case of dependent children and evidence of actual dependency in the case of dependent parents.

Service officers of the Illinois Veterans commission have been instructed in the subsistence changes and are ready to assist all veterans in this matter.

In Lake county, the service officer is Arthur G. Adams. The IVC office is located at American Legion Home in Waukegan, Illinois.

Canada's Indian Wards

The Canadian government employs 45 medical doctors to watch over the health and welfare of its 136,000 Indian wards scattered over thousands of square miles of Canada's inaccessible back country. There are no roads, no trains and no autos in the territory covered by some of these doctors, who often have to fly as much as 300 miles to reach one emergency patient.

Citrus Trees

Orange and grapefruit trees grown on rough-lemon rootstock usually become larger and come into bearing earlier, and consequently produce larger crops than those grown on sour-orange rootstock. Also, on rough-lemon rootstock the fruits average slightly larger and have a little coarser texture and thicker rinds, but contain somewhat less juice on the basis of weight. Eating quality is not quite so high as that of fruits grown on sour-orange rootstock. The latter usually contain slightly higher amounts of total solids and total acid than those grown on rough lemon.

Early Day Traveling

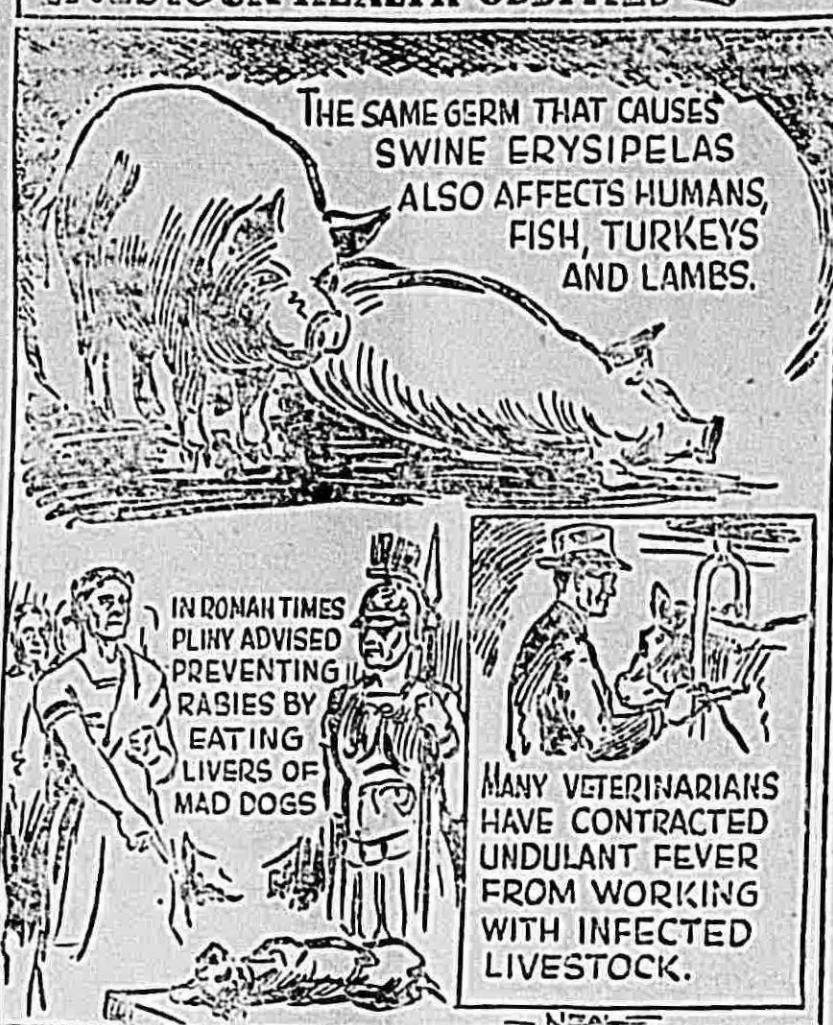

Traveling in the early days of rail-roading was quite a hardship. Night travel was particularly difficult. The male traveler hung his coat on one of the wall hooks, put his feet upon the seat in front, if there was room, then lay back and went to sleep—if he could. The womenfolk could not be so comfortable, for it was not seemly for them to lift what were known as their extremities off the floor. They merely sat and dozed. At night the cars were lighted by one candle at each end, stuck in candlesticks near the doors.

Baha'i World Religion

Baha'i teachings declare that only from a world religion can a world commonwealth ever evolve. This world faith upholds the unity of God, recognizes the unity of His prophets, and inculcates the principle of the oneness and wholeness of the human race. It enjoins upon its followers the primary duty of an unfettered search after truth, condemns all manner of prejudice and superstition and insists on compulsory education.

Contest Craze
Prize contests have now become a three-million-dollar-a-year industry, and an estimated 10 million persons keep it going. All seek the glittering rewards offered for the "best last line" or the "cleverest 25-words-or-less" slogan.

LUBRICARE - tailor-made lubrication for Buicks

It's lubrication made to measure for your Buick by the engineers who built the car—with lubricants carefully chosen for just one reason: they are best for your Buick.

Men who know Buicks thoroughly see that all the different points that need it are properly supplied with exactly the right kind and right amount of lubricant.

You're away knowing your car is protected and set to roll smoothly and dependably with lubrication that has been matched to the mileage you have driven.

SEE YOUR BUICK DEALER REGULARLY FOR LUBRICARE

No wonder you grin! There's that zoom again—that go—that flashing spirit that you know is built in Buicks. There's that split-second answer to your call for power, the feather-light response to your finger that makes your two-ton honey handle like a baby buggy.

This is what happens when a Buick is cared for by men who know Buicks best—men who know the height of spirit a Buick can reach and how to bring it out.

Buick men have a way with Buicks no one else can have. That's only natural. Whatever they do, they do as the designers and builders of Buick say it should be done. They use Buick-approved checks and

tools. And when time and miles finally take their toll in wear, they have right at hand a stock of Buick-engineered replacement parts.

Wheel in and they'll sweeten your engine to bring out all its surge and go. They'll steady your car's easy gait and make steering limber. They'll even take out your worn engine and give you new-car zing and power with a factory-fresh Fireball.

See for yourself. Bring your car in and get real, understanding Buick car care. You can't buy it anywhere else—and job for job it doesn't cost you a penny more.

Fewer Veterans In College Make Room for Others

CHICAGO.—It's going to be much easier for non-vets to get into college.

Alonzo F. Myers, president of the National Conference on Higher Education, said at a press conference here that colleges throughout the country report a dropping off in the number of vets applying for admission.

As a result, he said, there will be more room for other applicants in most colleges.

But despite the reduction in vet applicants, Myers emphasized, colleges still can accommodate only a fraction of those applying for admission. And from present indications, he said, the number of those seeking to enter college will expand in the coming years.

Myers, who is chairman of the department of higher education at New York university, said he was hopeful that colleges would offer a greater variety of courses.

"I can see nothing wrong," he declared, "in a college offering a course in auto fender and body reconditioning, as one college out west has done."

"This business of rationing education is crazy," he added. "There ought to be adequate provisions to give everyone who wants education that amount and that kind which his potentialities warrant."

College Men Reject Jobs As Models for Art Classes

WASHINGTON.—Despite its record enrollment, the University of Maryland has hung out a help wanted sign among the students at College Park.

Girls are clamoring for the jobs, but there are no vacancies for them.

All Joe College has to do to earn about 50 or 60 cents an hour is sit still. But there have been few takers. Art Director Maurice R. Seigler gave a clue to the shortage.

He wants the men to model for his art classes.

Maine Farmer and Wife Refuse to Accept Charity

BOSTON.—A Maine farmer and his wife, trying to live on \$15 until their very ill son recovers at a hospital, refused to accept help.

Residents of Boston deluged them with offers of food, clothing, money and transportation. But Lawrence Leeman, 31, and his 30-year-old wife, Marilyn, of Dover-Foxcroft, Me., responded with a firm "no thanks."

"Didn't know city people could be so nice and neighborly," said Leeman, whose year-old son Victor, is being operated on for malignant tumor at Children's hospital.

"Guess these people heard about us spending our money to bring the boy here for treatment. Mighty nice of them, but we still have \$15 left and all we want is for the boy to get well. Guess we can hitch-hike home well enough."

"Our switchboard has been tied up all day," a hospital official said. "Rich people, poor people and just every-day-people have been calling up offering help. Two families who were dispossessed from their homes in Dorchester called to say they'd like to help."

But Leeman, a slow-talking Yankee, insisted he wanted no help. "Not to us," he said. "We're hard-working people. We handle our farming by ourselves and we don't believe in asking other folks to share our burdens."

Mrs. Leeman nodded agreement. "Thank you kindly," she told the hospital officials, "but we don't believe in being beholden to folks. It's just our way of doing things up in Maine. No offense meant."

Mice Perish in 25 Minutes At 35 Degrees Below Zero

WASHINGTON.—Survival time of various warm-blooded animals kept in cages at a temperature of 35 degrees below zero has been determined by the Army Quartermaster corps. The series of tests were conducted in the cold room of Harvard's fatigue laboratory.

Mice succumbed quickest under such an exposure, dying in less than 25 minutes. Canaries were next, surviving for only 36 minutes. White rats lasted between 45 minutes and 2 hours. Some rabbits died in three and a half hours while others not for six and a half hours.

Some white leghorn chickens perished in less than three and a half hours while others managed to stay alive for twenty-nine and a half hours.

Army carrier pigeons put up the greatest resistance to the frigid temperatures. None died in less than 22 hours, and one lived for 78 hours. This hardness may provide clues to the high survival of half-wild park pigeons under tough city conditions.

None of the animals hopped or fluttered about in an effort to keep warm. Instead, they hunched themselves up as compactly as possible, presenting a minimum body surface to the cold.

SHORT STORY

Footsteps In the Dark

By
HELEN BEMIS

AT FIVE-THIRTY P.M. as usual, George Madison left the First National bank of Crosstown. He started up the busy street with that deliberate tread of his, then swung back to the corner. It might look suspicious to change his ways to-night.

"The same, sir?" asked old Tim, blind since the battle of the Marne in World War I.

"Yes," said George, wincing as his nickel banged the tin cup.

"A bit cool for April," offered Tim, handing up the Crosstown Evening News. "Get to know weather, don't we—being out in it every day like me an' you. Say—jus' how many years you been comin' from the First National to get my papers?"

George started, paled. Couldn't let on to the old fool that after tonight he wouldn't be around, couldn't explain that after tonight he'd be a free man, a man of means, no longer a slave. Only thing you could call a bank teller, wasn't it?

"It's—it's about 15 years," came from George's dry lips.

"No doubt the bank folks are pretty fond of you by this time," commented Tim. "They're mighty nice to me, too—from the president down."

"Yes, of course," chopped out George, swinging away.

Mrs. Murrey's gloomy boarding house irritated him more than ever tonight. But after warm food and lively table conversation with the other boarders, his confidence rose. He was able to let himself into the First National that evening, nearly as calmly as he'd done hundreds of former evenings. Only this time he would not be working overtime for his superiors. Just for himself.

Finally, he was stuffing big rolls of currency into a traveling bag. He hoped his luck would hold, that Henry, the night watchman, would doze in the back room, as usual.

His luck did hold. It held so well it was uncanny. Even his aged automobile ran perfectly till close to daybreak, when he abandoned it and hopped a fast freight for the west. His chief objective now was to reach a certain man highly skilled in plastic surgery, a man who'd do anything for a price.

GEORGE MADISON now became James Farnum. His hair was bleached white, his upper lip was smooth-shaven, his once good-looking nose was unpleasantly aquiline. Even his voice was higher pitched. He not only looked different, he felt different. He was rich.

In Alaska, he went into fur trading, became surprisingly prosperous. He remained a bachelor and avoided making close friends. Three years of this and he grew restless. He went to Chicago, then to New York and took in the best shows and night clubs. He ran into Ed Ratchet, former clerk in the old

"Let me go! I'm James Farnum!" exclaimed the terrified George.

First National of Crosstown. He talked with him at length and wasn't recognized.

So he decided to return to Crosstown and take a look around. After all it was his home.

He put up at the Crosstown hotel with no questions asked. In the hotel lobby, on the streets and in the shops, he was treated like any stranger.

One day as he passed the bank, he saw old blind Tim sitting on his customary corner. Tim was selling a newspaper to a strange man. "Guess I'll drop a five spot in Tim's cup for luck," decided George. It gave him a warm feeling inside to be going toward old Tim again.

But as he passed before him, Tim leaped up and grabbed George's beautifully tailored sleeve. He cried, "George Madison! It's George Madison!"

"Let me go! I'm James Farnum!" exclaimed the terrified George, trying to pull away.

"What a break!" said the strange man, holding out handcuffs. "I've been looking for you a very long time! Thought you might blow back—they generally do!"

"Plain clothes, eh?" sneered George. "I'll prove you're wrong—I'll sue—I'll—"

"Can't fool me," piped up old Tim. "I get to know a man's footsteps after hearing 'em for 15 years!"
